Jakarta, Indonesia

### LANGUAGE

- English
- Indonesian

### HIGHLIGHT SKILL

- AutoCAD 2023
- Solidwork 2022
- CNC lathe Machine
- The Welding
- Design Graphic
- Computer Programming

### EXPERIENCE

#### DESIGNING MACHINE ELEMENT DRAWING USING AUTOCAD 2023 CNC-CAD-CAM COURSE

- Create design drawings for the Basics of Machine Elements
- Make drawings of machine elements, shafts and couplings
- Present the results of the machine element design drawings.

#### INTERNSHIP AT HONDA MENARA AGUNG PIT HEAVY BODY REPAIR

- Disassembling and assembling Motorcycle Engines
- CVT and belt adjustment
- Checking and changing oil

### EDUCATION

#### SMK ADI KARYA RANAH PESISIR AUTOMOTIVE

- Completed the final exam for Kijang Car Tune Up Testing  
2016-2019

#### UNIVERSITAS EKASAKTI PADANG MECHANICAL ENGINEERING

- Completing the final project on the Analysis effect of variations in welding seam angles on the mechanical properties of AISI 1045 steel  
2019-2024
